

COMPREHENSIVE SEX EDUCATION PROVIDERS IN ORANGE COUNTY (FEBRUARY 2021 UPDATE)

DISCLAIMER: The following information is based on self-reported responses to a survey completed from December 2020 through January 2021. The purpose of the survey is to create a reference list for Orange County school districts seeking assistance implementing comprehensive sex education. The Orange County Women's Health Project, which administered the survey and compiled the results, has not reviewed the curricula/materials utilized by these providers and therefore cannot and does not warrant their compliance with the California Healthy Youth Act.
